

HYBRID STEEL

Our heaviest and most durable system that can handle the toughest treatment

Most affordable high performance steel system with a 16 pin-stop height adjustment range. Steel bottoms will eliminate deflection and make your system strong enough to last. Each 3½" upright can accommodate both a 3" or 3½" floor sleeve.

NCAA, NFHS, USVBA Compliant

Recommended for:
Collegiate and **NFHS Programs**

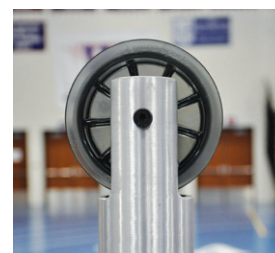

Features:

- Steel bottom and aluminum top with engraved height markers
- 16 pin-stop height adjustment - 6'6" to 8'2"
- Worm Drive Tension winch is easy to operate. Built-in locking mechanism prevents accidental movement under tension (Back-Drive). Fold-away handle
- Recessed pulley wheel made from same material as bulletproof glass
- Available in 3" (red) and 3½" (black) models

Pin-stop Height Adjustment

Recessed Pulley Wheel
