

BARRIER NETTING

FIELDPRO™ BARRIER NETTING

Surround your field with our barrier netting for a safer design and a professional look

Customize your Field and Facility with Barrier net options with several poles and nets to choose from. Work with our Engineers to make our netting options work for you!

Recommended for:
International, Collegiate, High School and Town Programs

Features:

- Straight or offset poles with aluminum or powder coat finish
- 1¾", 3½" or 4" square mesh net
- Easy to use hoist system for quick install/removal of net
- Ground sleeves for system removal

We can customize any field layout per your request!

10' Straight Pole with multi-sport net is ideal for use as a Lacrosse and Field Hockey backstop net. The net is clipped at the top and bottom of each pole.

15', 20', 25', 30', and 40' Straight Pole comes with a hoist system allowing quick and easy lowering/removal of the net after the game, season, or before a big storm. Reinstalling the net is a snap - all from ground level with no need for a ladder.

20' Offset Pole provides 3' of offset which is ideal for use around the perimeter of soccer and baseball/softball fields. It's also an added measure of safety from ricocheting balls.

Features:

- Pulley system to raise/lower net (excludes 10' poles)
- (4) net options to choose from
- Ground sleeves facilitate installation and allow for system removal as needed
- Covers for ground sleeves are sold separately
